LED Ceiling Lampholders

LED Ceiling Lampholder Solutions

Smarter, Safer Lighting

Leviton's new LED Ceiling Lampholders offer the ideal lighting source for closets and closed spaces. For energy-efficiency, LED lighting is a smart alternative to incandescent fixtures. Our LED Ceiling Lampholders incorporate today's most desirable features and meet NFPA® 70, NEC® Section 410.16 (A)(3) and (C)(5) requirements for installation in closets. They can also be utilized in open spaces – a cost-saving solution for all areas of the home. LED Ceiling Lampholders are available in Keyless and Pull Chain models. Pigtail leads provide easy installation and multiple mounting holes are provided for multiple box configurations.

Applications

- Install in closets, garages, basements, storage rooms, utility rooms, workrooms and attics
- For indoor use only

Note: Not intended for use with Incandescent lamps, dimmers or lighted devices.
