Some Part Numbers of CBM-E3/V3, MSO1300 E3/V3, MSO1350 E3/V3 Product Series End of Life and Replacement

Ed.4

Introduction

IDEMIA announces the End of Life (EoL) of the Part Numbers listed in Annex 1

They will respectively be replaced by below mentioned part numbers:

- **293799914 CBM-E4**
- **293799935 MSO1300 E4**
- **293811319 MSO1350 E4**

There will be no version V4 as it will be merged with E4 version.

Your Product Manager,

Thierry JOUAN

Part Numbers End of Life

The list of the part numbers of CBM-E3, CBM-V3, MSO1300 E3, MSO1300 V3, MSO 1350 E3 and MSO1350 V3 phased out is given at the end of this document.

The full list of the new part numbers for CBM-E4, MSO1300 E4 and MSO1350 E4 will be given separately.

Features / Environment / Software:

- CBM-E4 replaces mentioned part numbers of both CBM-E3 and CBM-V3, MSO1300 E4 replaces mentioned part numbers of both MSO1300 E3 and MSO1300 V3, MSO1350 E4 replaces mentioned part numbers of both MSO1350 E3 and MSO1350 V3
- CBM-E4 has the same form factor than CBM-E3, MSO1300 E3 has the same form factor than MSO1300 E3, MSO1350 E4 has the same form factor than MSO1350 E3
- Algorithms in E4 will be the same as in E3, performances will be the same.
- CBM-E4 and MSO1300 E4 is available from October 2024
- MSO1350 E4 will be available from December 2024

Changes to be taken into account:

- CBM-E4 has side LEDs instead of Top LEDs, there is no more diffuser on CBM-E4
- Part and Model numbers will be different.
- PID/VID will be different, new product will need updated driver and MSO SDK. A "Legacy_USB_ID" product variant (specific part numbers) will allow compatibility with PID/VID from E3. **It will not offer PID/VID compatibility with E2**
- Due to usage of a different component, some of the product characteristics may be slightly different (power consumption, timings) and may need adjustment in the host machine and code. The values are available with the CBM-E4 integration guide.
- Security algorithms will be new (AES256, SHA-2), security (tunnelling) setup will be different (through MSO SDK instead of MKMS tool). This is detailed in MSO SDK documentation.
- MSO SDK 6.49.1 onwards has to be used with CBME4 and MSO1300 E4

Product End of Life Policy:

| Milestone | Definition | Timeframe |
|------------------------------------|---|-----------------|
| End of Life Announcement Day (EOL) | The date the first document that announces the end of sale and end of life of a product is available to the public. | 31 January 2024 |
| Last Buy Order (LBO) | The last date to order the product through IDEMIA sales / order entry mechanisms. The product is no longer for sale after this date. Orders will follow forecasts given by the Regions from May to July 2024. | 30 January 2025 |
| Last Shipment Date (LSD) | The last-possible date that the product will ship. Actual ship date is dependent on lead-time and will be provided at time of sale. | 31 March 2025 |
| End of Support (EOS) | The last date to receive service and support for the product. After this date, all support for the product is unavailable, and the product will be obsolete. | 31 March 2027 |

This EOL notification is not applicable to India, and regular sales and support will be provided for India specific part numbers.

Annex 1 : EOL part numbers
