

STR™ Replacement / Auxiliary Intercom Speakers

STR™ REPLACEMENT / AUXILIARY INTERCOM SPEAKERS

Alpha Communications® features a complete line of STR™ replacement and auxiliary intercom speakers for their intercoms, video-intercoms and various signalling systems and devices.

Choose from paper cone and mylar cone models in a variety of sizes and configurations, depending upon the system they are used with.

Wire connections are made using pigtail wire lead connections (either slide-on or soldered depending upon application).
