

# SONY

## MDR-ZX310AP/L

### ZX Series Headband Stereo Headset

Sound meets style with smartphone playback controls<sup>1</sup> for life on the go. More than your basic pair of over-the-head headphones, the Sony® MDR-ZX310AP headset delivers rock-solid audio performance, integrated microphone for hands-free calling and media playback controls for convenient operation.

## Features

### Smartphone playback control<sup>1</sup>

The integrated microphone and multi-function control<sup>1</sup> button make the the MDR-ZX310AP the perfect companion for your smartphone. Android™ users can also enjoy the convenient Smart Key app for added control functionality directly from your smartphone.

### Quality Sound

The large 30mm driver units coupled with ferrite magnets will accurately reproduce a broad, dynamic frequency range. You'll enjoy smooth transitions in treble and mid-range frequencies with powerful bass response.

### Pressure Relieving Earpads

The lightweight, adjustable headband with swivel ear pads is designed for comfort so you can enjoy extended listening sessions without fatigue.

### Swivel Earcups

The slim, swivel and folding style earcups stow away for compact portability.

### Y-Type cord

The traditional Y-type cord design helps reduce the chance of tangles while the 4-conductor gold plated, L-shaped plug ensures a good connection.
