SOHO Pro™ P4200

42 inch Media Panel

The SOHO Pro™ P4200 media panel provides a centralized distribution point for the components and services that make today's homes smart.

In addition to the panel's flexible design, a selection of mounting systems makes this panel a convenient, secure, enclosure for installing and distributing broadband service inside the premise.

Also available in 21", 30", and 63" sizes with narrow/deep options.

FEATURES & BENEFITS

Large internal space for installation of active, passive, and cable management components

Standardized mounting hole pattern supports unique Primex Rail, Shelf, and Universal Mounting Systems for components.

Multiple entry/exit knockouts on top and bottom support microduct and robust cable runs.

Lightweight design allows for easy transport and installation.

Optional key or hex locks available for enhanced security.

ETL compliant and fire-retardancy tested for heightened safety and durability.

*Enclosures should not be mounted in a fire-rated wall.

125-1073 Key Lock
125-1678 Hex Lock
