

EPH2400-984RD Emergency Telephone

EPH2400-984RD

Emergency Telephone

(surface mounted in NEMA-4 enclosure)

EPH2400-984RD EMERGENCY TELEPHONE

The Alpha Communications® EPH2400-984RD Emergency Telephones are designed to be installed inside or outside, to a conventional POTS telephone line.

The EPH2400-984RD Emergency Telephones can also be installed on a VoIP phone line, using the model# ABL-VOIP adapter.

At the Security Desk or remotely called located, the EPH2400-984RD Emergency Telephones can be used in conjunction with our AlphaEntry™ software, when installed on a compatible Windows PC, and connected to a POTS telephone line.
