

Roku Ultra 4K Streaming Player (2024)

4850R

SKU: 189050 UPC: 829610006888

Now up to 30% faster than previous Roku models, the Roku Ultra 4K Streaming Player (2024) makes it quick and easy to navigate through menus and find something to watch or listen to. To begin streaming the latest services, live TV, free TV, and music, just hook up the Roku Ultra to your TV via HDMI and to your home network over Wi-Fi or wired Ethernet. From there, use the included Roku Voice Remote Pro to search for content. Use the buttons to navigate traditionally or search by using your voice. The Roku Ultra is made to display shows and movies in stunning quality at up to 4K resolution, with support for HDR10+ and Dolby Vision enhancements. With optional Dolby Atmos speakers, you can achieve a truly cinematic experience.
