

Toolless Coupler Base for Wire Mesh Cable Trays

MODEL NUMBER: SRWBTLCLRBS

Securely connects straight sections of wire mesh cable tray in your data center or network closet with no tools needed.

Features

Toolless Coupler Base Helps You Create Custom Cable Management Schemes

The SmartRack® SRWBTLCLRBS is a black powder-coated metal coupler for easy installation with your wire mesh cable tray. It connects two straight sections of cable tray to extend your cable management application along the wall, floor or ceiling of your data center, network closet or industrial space. The coupler snaps easily into the wire mesh with no mounting hardware required. Multiple SRWBTLCLRBS couplers may be needed for wide cable trays. Use with SRWBUNVCPLR Coupler Kit (sold separately) to ensure the best connection.

Specifications

OVERVIEW	
UPC Code	037332240392
