

Epson EB-1915 MULTIMEDIA PROJECTOR

Product Name	Product Code
EB-1915	V11H341053
Replacement Lamp	V13H010L53
Replacement Air Filter	V13H134A24

Specifications

Projection System	Epson 3LCD, 3-chip optical engine
Projection Method	Front/rear/ceiling mount
Driving Method	Epson Poly-silicon TFT Active Matrix
Pixel Number	786,432 dots (1024 x 768) x 3
White Light Output¹	4000 lumens (ISO 21118 Standard)
Color Light Output¹	4000 lumens
Aspect Ratio	4:3
Native Resolution	1024 x 768 (XGA)
Resize	640 x 480 (VGA), 800 x 600 (SVGA), 1024 x 768 (XGA), 1440 x 900 (WSXGA), 1400 x 1050 (SXGA+), 1600 x 1200 (UXGA)
Lamp Type	E-TORL 230 W UHE
Lamp Life²	Up to 3500 hours (ECO Mode) Up to 2500 hours (Normal Mode)
Throw Ratio Range	1.62 – 2.61
Size (projected distance)	30" – 300" 4:3 aspect (3' – 50.6')
Keystone Correction Automatic	Vertical: ± 30 degrees (± 45 manual) Horizontal ± 20 degrees (± 30 manual)
USB Plug 'n Play	Mac compatible via DVI to VGA adapter (not included) USB Plug 'n Play for Windows [®] 2000 or later
Contrast Ratio	Up to 2000:1
Colour Reproduction	16.77 million colours

Projection Lens

Type	Powered focus Manual (optical) zoom
F-number	Focal Length
1.75 – 2.42	24 mm – 38.2 mm
Zoom Ratio	Optical zoom 1.0 – 1.6

**Whichever comes first*

¹Light output varies depending on modes (color and white light output). White light output measured using ISO 21118 standard.

²Data source: ProjectorCentral.com, Jan. 2009. Average of 796 shipping models, for which manufacturers provided lumens and total power data, all resolutions and brightness levels.

³Lamp life will vary depending upon mode selected, environmental conditions and usage. Lamp brightness decreases over time.

⁴See our website for convenient and reasonable recycling options at www.epson.com/recycle

⁵Recommendation based on normal room conditions. Cleaning requirements may vary depending on use, environment and other conditions. Cleaning intervals may be adjusted to accommodate the environment in which the projector is used.

Epson EB-1915 MULTIMEDIA PROJECTOR

The smart, network-ready performer.

Get brilliant presentations in any classroom or boardroom with the ultra bright, network-ready Epson EB-1915. This powerful, portable projector yields vivid, high quality images, yet still includes a host of user-friendly features, such as a wireless module for easy wireless setup. With Epson 3LCD technology, XGA resolution and 4000 lumens of colour/white light output¹, your presentations will pop in any setting. The EB-1915 offers remarkable versatility with innovative features like Screen Fit, powered focus and more. With HDMI digital connectivity, you can bring digital content to your presentations. The EB-1915 even makes it easy to broadcast customised images or announcements over the network.

Brilliant detail — native XGA (1024 x 768) resolution and up to 2000:1 contrast ratio
Incredible image quality, anytime, day or night — 4000 lumens colour light output, 4000 lumens white light output¹

Epson EB-1915 MULTIMEDIA PROJECTOR

The best-selling projectors in the world.

Epson offers a wide range of high-quality projectors to meet almost any need. Built with image quality and reliability in mind, Epson projectors enhance communication and inspire collaboration, while offering a low total cost of ownership. From ultraportable projectors designed for educational settings to boardroom-ready business projectors, Epson has the model made for you.

3LCD technology — for quality and colour that's beyond amazing

Innovative technology with proven reliability

- 3 chips for full-time, vibrant colour
- 25% less electricity required per lumen of brightness when compared to 1-chip DLP projectors²
- Road-tested reliability from a company with over 20 years of experience

▲ 3LCD, 3-chip technology

Amazing light output

- 4000 lumens colour light output and 4000 lumens white light output¹
- High colour light output for bright, balanced, colourful images
- White light output that's measured using ISO 21118 (a more rigid standard than the outdated ANSI lumens rating used by competitive products)

High colour light output Low colour light output

Actual photographs of images taken from two competing projectors run in default mode. Price, resolution and brightness (white light output) are the same for both projectors.

▲ Compact and portable design

Energy-efficient E-TORL® lamp, exclusively from Epson

- Delivers more lumens per watt and lasts up to 3500 hours³
- Minimises both light diffraction and light leakage
- E-TORL lamps maximise your presentation time, while minimising your costs

▲ E-TORL lamp

Eco features

- Energy-efficient 3LCD light engine
- Energy-efficient E-TORL lamp

Precision control

USB Plug 'n Play instant setup

- No more pressing computer function keys or carrying bulky VGA cables
- Just plug in a standard USB cable and instantly project video with audio from your PC!
- This USB connection also enables you to maintain control over your presentation with the page up/page down function on the remote control

Fast, easy setup and control

- **Instant Off®** — no cool-down time required, so it's ready to shut down when you are
- **A/V Mute Slide** — control your presentation; it's right at your fingertips
- **Sleep Mode** — set from 1 to 30 minutes to save energy when the A/V Mute Slide is closed or no signal is detected
- **1.6x optical zoom** — offers great positioning flexibility
- **Direct Power On/Off** — power the projector on and off with the flip of a wall switch

Epson's leading-edge EasyMP® Monitor network technology

Built-in wireless features

- Present wirelessly using the 802.11 a/b/g module via a PC or Mac®; transmit audio as well
- Use the optional Wi-Fi® Quick Connect key for faster wireless setup (PC only)

PC-free presentations

- Connect a memory device and start your presentation — all without a PC
- Display MPEG2 and MPEG4 videos as well as photos
- Compatible with a whole host of file formats (JPEG, GIF, BMP, PNG)

Easy Management®

- Remotely access, monitor and control projectors over the network; centralized control
- Enjoy easy management and maintenance via Simple Network Management Protocol (SNMP)
- Send e-mail notifications to alert network administrators when there are issues related to the temperature, fan and lamp status

EB-1915 Features

- **Brilliant detail** — XGA resolution and up to 2000:1 contrast ratio
- **Convenient network accessibility** — display images over the IP network from any networked location
- **Powerful sound and communication features, no added cost** — built-in 10 W speaker, built-in closed captioning decoder
- **Cutting-edge connectivity** — RJ-45 LAN connection, HDMI port with HDCP for digital connectivity
- **Easy picture adjustments and greater positioning flexibility** — 1.6x manual zoom with powered focus, controllable via the remote or RS-232
- **Message broadcasting** — broadcasts customised images/alerts over the network for announcements or instructions
- **Added security in any environment** — convenient metal anchor bar, control panel lockout
- **Easy maintenance** — easy, side-loading lamp and one-touch filter replacement
- **Protect your investment** — recommended 2500-hour filter cleaning cycle⁵
- **Outstanding support** — two-year limited warranty
- **Carrying case included** — for easy portability and protection when stored

Screen Fit

A Quick Setup function with an auto-sensing feature that intuitively sets up the appropriate screen size, keystone and focus — all at the touch of a button.

Advanced wireless security

Epson gives you the ability to control access to your data and presentations with industry-relied-on security measures. With the broadest security protection, the EB-1915 is ideal for corporate applications; compatible with LEAP, PEAP, WPA2 and more.

Movie sending

Discover extra possibilities in seconds and experience big-screen enhancements. Now, you can send full-size movies in MPEG format, including images and sound, via either a wireless or wired LAN.
