

A/V Monitor Carts

Winsted offers a full line of mobile A/V carts, each constructed of heavy-gauge steel, permitting many years of use. Perfect for transporting A/V electronics from room to room, even a large 35" monitor can be moved. Locking lower cabinets secure your valuable equipment and can be used for storage space. Large shelves allow room for computers, slide projectors, tape machines and other electronics which need to be mobile. Optional accessories include: UL listed electrical outlets, rubber mats, safety straps, extra shelves and much more.

Economy A/V Carts

Four economy carts with the same built-in quality you've come to expect from Winsted. They are mobile, large and built tough to handle any job. Formed and welded steel construction for years of service. They come in a textured Pearl Grey enamel finish with chrome posts. Choose from 34-3/4" or 54-5/8" heights. Shelves are 28-5/8" x 18-5/8" to fit most electronics.

34" High Video Stand

Features three shelves to fit all of your electronics. 12-1/4" clearance between shelves leaves plenty of room for equipment access. Measures 34-3/4"H (883mm) x 32"W (813mm) x 22"D (559mm).

R3303 (47 lbs)**234.50**

Two Shelf Video Stand

Top shelf accommodates up to a 25" monitor. Shelf measures 28-5/8"W x 18-5/8"D. Stand is 34-3/4"H x 32"W (813mm) x 22"D (559mm).

R3302 (36 lbs)**184.95**

Portable Video Stand

Ideal for setup anywhere. Three shelves makes a space for your monitor, VCR and accessories. Measures 54-5/8"H x 32"W x 22"D. Shelves mount in multiple positions.

R3353 (52 lbs)**244.95**

54" Video Stand

Gives you four shelves to hold all of your A/V equipment. Measures 54-5/8"H x 32"W x 22"D. Shelves mount in multiple positions.

R3354 (63 lbs)**293.50**

Optional Accessories

Extra A/V Shelf

An additional equipment shelf for any of the Economy A/V carts. Measures 28-5/8"W x 18-5/8"D

33083 (12 lbs)**54.95**

Electrical Assembly. Four outlet electrical assembly. 18' 3-wire power cord. Attaches to the inside of any A/V cabinet.

C5104**59.95**

Mobile Video Centers

Sturdy. Strong. Heavy-gauge steel construction to handle heavy loads safely. Roll effortlessly on 4" (101mm) dual wheel casters (two locking). Recessed shelf keeps VCR equipment in place. Locking cabinet provides safe storage for valuable video accessories. Cabinet doors swing out of the way for easy access. Dove Grey and Pearl Grey baked enamel finish. They assemble without special tools.

Full shelf Low Profile Video Center

The R3406 is a complete unit that easily moves from room to room. Top shelf is a full 32"W x 22"D. Lockable base cabinet is 13"H x 32"W x 22"D. Overall dimensions are 34-1/4"H x 32"W x 22"D

R3406 (91 lbs)**419.95**

Standard Height Video Center

Ideal for large groups. Upper shelf accommodates up to a 25" monitor. Top shelf is 32"W x 22"D. Lower cabinet is 13"H x 32"W x 22"D. Overall dimensions are 54"H x 32"W x 22"D.

R3505 (101 lbs)**439.95**

Three Shelf Video Center

Features are ideal for second VTR or other electronic equipment. Center shelf is 28"W x 22"D. Cabinet is 13"H x 32"W x 22"D.. Overall dimensions are 54"H x 32"W x 22"D.

R3506 (112 lbs)**489.95**

Call for our selection of Winsted Premier Monitor Carts and Executive Conference Room Consoles

Digital Desks

Winsted multi-function workstations are designed for efficient desktop production and are ideal for either linear or non-linear systems. System workstations that are usable when installed, and for years to come, all the desks come with Black granite laminate tops with contour edging and color accent trim. Highlight your electronics using one of five optional accent colors: Red, Blue, Violet, Dove Grey or Black. Each type of desk can be combined making these consoles completely responsive to editing/post production environments. Each desk also has a cable management system that keeps the edit station looking neat and tidy.

94" W Digital Desk with Curved Table Top

A 32" deep black granite laminate top with black contour edge moulding and a 20" deep adjustable riser top create an abundance of workspace. Special curved work area keeps all electronics within easy reach. Keyboard tray opens more desk top space and places the keyboard in a proper working position. Multi-raceways provide logical routing and splitting of video/monitor cords. E4553 (Grey), E4573 (Red), E4583 (Blue), E4593 (Violet) E4563 (Black)

94" Digital Desk (shipping weight 416 lbs).....**1450.00**

59" W Digital Desk

A 59"W (1499mm) x 30"D (762mm) black granite laminate top with red accent contour trim. A matching adjustable riser top supplies ergonomic space for monitors. Additional 35"H (20U) vertical rack for source decks and an editing system. This rack has black sides and a black granite top with red accent contour trim. Desk dimensions: 29"H (737mm) x 59"W (1499mm) x 48-1/8"D (1222mm). Riser height: 7" (178mm) -11" (279mm).

E4523 (shipping weight 419 lbs)**1595.00**

Corner Digital Desk

A perfect workstation for tight quarters. Corner design makes the best use of space in any room. Both the top and riser are Black Granite laminate and have Black contour edge molding. Featuring multi-raceways to channel video and AC cords. Pull-out keyboard tray allows you to tuck away the keyboard for more desk top space. Monitor riser positions monitors at a comfortable viewing height. E4515 (Black), E4535 (Blue), E4545 (Violet), E4505 (Grey), E4525. (Red)

Corner Digital Desk (shipping weight 465 lbs).....**1925.00**

94" W Digital Desk with Curved Table Top

Includes a 24-1/2" (14U) vertical rack. The 30"D (762mm) work surface and 20"D (508mm) adjustable riser are finished in mar-resistant black granite laminate and black contour edge moulding. Featuring multi-raceways to channel video and monitor cords out of sight. Includes a paper tray that attaches to the underside of the desk and a mini-tower support well that holds system CPU tower off the floor.

E4552 (Grey), E4562 (Black), E4582 (Blue), E4592 (Violet), E4572. (Red shown)

- 10713** **156.95**

MEDIA STORAGE SYSTEM

Winsted offers a variety of systems and designs for the efficient organization and storage of digital media, audio and video tapes. Designs are flexible and can be adapted to a variety of configurations for maximum utilization of space. Stock and custom shelving are available and can be expanded or relocated as needs change.

To maximize your storage capacity with a limited wall space, Winsted's space saving, Super Density Movable Cabinets are available in a range of cabinet depths. Fully loaded shelves roll effortlessly on low-profile steel tracks. Front row cabinets move side-to-side on floor tracks for easy access to rear storage.

With 100% use of available storage space plus instant access to all of your tapes, it is the ideal solution for tape storage in confined areas. Comes in a Brown and Beige finish.
