

15" Low-Profile Support Just for 3-Wire Outdoor Light Fixtures

Comes complete with...
 Access panel cover, gasket,
 installed 3/4" x 1/2" NPT
 non-metallic bushing for
 fixture installation.

Non-metallic bushing exclusively for 3-wire light fixtures. UV rated plastic for long outdoor life.

FEATURES AND BENEFITS

- Streamline design...our most competitively priced Gard-N-Post
- Designed for 3-wire light fixtures
- Comes with a 3/4" NPT threaded opening, and an installed 3/4" x 1/2" non-metallic reducing bushing for use with 1/2" or 3/4" NPT fixtures
- Installed cover
- Molded-in color is permanent—unlike painted posts where lawn equipment chips the color off
