

Product Specifications

18' Telescoping Pole Tool

Part Number DLM18

Category Number 4607

UPC 781002822813

The Telescoping Pole Tool allows contractors to safely install items from ground level that were previously dangerous or inaccessible. It is ideal for installation of conduit, cable trays, lighting systems, strut channels, overhead utilities and much more. The DLM18 comes with 3 different style heads: a wire & chain plug in head, double sided rod hanger head and a bit and nut driver head.

Physical Characteristics

Type	Telescoping Pole Tool
