|-------------|-----------------------|
| Type        | Straight Ceiling Wire |
| Length (ft) | 12'                   |
| Wire Gauge  | 12                    |
| Material    | Steel                 |
| Finish      | Galvanized            |
| Strands     | Single                |

### Packaging Details

|                |       |
|----------------|-------|
| Standard Qty   | 100   |
| Price Per      | 100   |
| Package Length | ##### |
| Package Width  | 1.50  |
| Package Height | 2.00  |
| Net Weight     | 0.35  |
| Package Weight | 35.00 |

### Performance Data

|                  |   |
|------------------|---|
| Applications     | Overhead Support of Acoustical Ceiling Structures, Secures Overhead Electrical Fixtures |
| Special Features | 12 Gauge Steel Wire, Pliable  |

### Certifications

|                |                                 |
|----------------|---------------------------------|
| Meets/Exceeds  | Federal Specification QQ-W-461H |
| RoHS Compliant | No                              |
