

**Configuration:**

LKS-1-A1 ListenTALK Base-4 System

**Product Overview:**

An ideal starter system for incorporating two-way communications, the LKS-1 ListenTALK System from Listen Technologies comes with everything you need. Each system includes four (4) ListenTALK Transceivers (with Leader Clips), one (1) Headset-2, and one (1) 4-Port USB Charger, all designed to enable convenient communication between one leader and up to three additional team members at a time. The LKS-1 is expandable to meet the growing needs of your venue, and more transceivers can be added at any time.

**Highlights:**

- Includes one headset and four individual transceivers
- Ear Speakers (LA-401), Battery (LA-365), and Breakaway Lanyard (LA-445-BK) included with each Transceiver (LK-1)
- Four-port USB Charger also included
- Expandable for increased demand

**Includes:**

Four (4) LK-1 ListenTALK Transceivers w/Leader Clips  
 One (1) LA-452 Headset 2 (Over Head w/ Boom Mic)  
 One (1) LA-423 4-Port USB Charger
