

Center Plate Insert, Decora Style - Vertical, 2 Ports, TAA

MODEL NUMBER: N042D-002V-WH

Clean, simple insert mounts within Decora-style wall plate for terminating in-wall audio/video, voice or Ethernet cable installations.

Features

Decora-Style Face Plate Connects Audio/Video, Voice and Data Cable Lines at the Wall This vertical-style center insert provides a clean, simple method for your premise wiring applications, including home theater (audio/video), VoIP phones (voice) and Ethernet (data). Any type of keystone jack, including those used in HDMI, DisplayPort, RCA, USB and Cat5e/6/6a installations, snaps easily into the cutouts for quick cable connection.

High-Impact Construction Designed to Blend In Seamlessly The Decora-style polycarbonate insert plate is white and blends elegantly into any home or office décor for a sleek, professional installation. Mounting screws are included for flush mounting the insert with a compatible Decora-style wall plate (sold separately).
