

TPE-TG182ES 18-Port Gigabit EdgeSmart PoE+ Switch

TRENDnet's 18-Port Gigabit EdgeSmart PoE+ Switch is a cost-effective rackmount PoE+ managed switch solution for high-speed gigabit PoE+ applications. Contact us to learn more!

EdgeSmart Management

Provides an easy-to-use management interface and offers the more commonly used SMB management features for reduced switch configuration complexity and easy deployment.

PoE+ Power

Features a 240W PoE power budget for up to 16 Power over Ethernet devices, such as wireless access points and IP cameras.

Integration Flexibility

Managed features include loopback detection, RSTP, static link aggregation, VLAN, IGMP Snooping, and QoS for flexible network integration.

- 16 x Gigabit PoE+ ports
- 2 x Gigabit SFP ports (100Mbps / 1000Mbps)
- Easy-to-use web-based management interface
- Smart fan reduces noise during operation
- 1U 19" rack mountable metal housing
