European Union (EU) Restriction of Hazardous Substances (RoHS) Compliance Statement

ABB Installation Products confirms its compliance to Directive 2011/65/EU of the European Parliament and Commission Delegated Directive (EU) 2015/863 of March 31, 2015, on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS Directive") or its exemptions for the following product(s):

E958G (7TAA232640R0010)

ABB Installation Products has solely relied on the information retrieved from the supply chain and has not conducted chemical analysis or other similar testing. It is further declared that to the best of our knowledge and based on the reasonable inquiry and current information received from the product manufacturing plants and the suppliers of the parts, components, and raw materials used in the above listed products, this certification is true, accurate and complete at the date of issue. The user is solely responsible for determining its own compliance for any relevant regulations. ABB Installation Products is not responsible for any loss, damage, or injury incurred resulting from reliance on this information.
