

## Features & Benefits

ETL Verified to Category 5e component standard: Ensures standards compliance.

Exceeds EIA/TIA 568A/B Cat 6 Performance Specifications

Available in contractor packs

RJ45 Inserts can be terminated with any 110 punchdown tool

Available in Black, Brown, White, Light Almond, Grey, Blue, Orange

## Specifications

### General Info

Color	Brown	UPC Number	804428036746
-------	-------	------------	--------------

Country Of Origin	Taiwan, Province Of China	Product Line	On-Q
-------------------	---------------------------	--------------	------

Package Quantity	1	Application Sector	Residential
------------------	---	--------------------	-------------

Standard	UL (UL/ANSI 1863), CSA (CAN/CSA-C22.2 No. 182.4-1990), IEEE 802.3an 10GBase-T, TIA 568-B.2-10, RoHS
----------	---

### Technical Information

Cable Type	Cat 6	Environmental Conditions	0 to 93 (relative humidity, non-condensing) pct
------------	-------	--------------------------	---

Termination Style	Punchdown
-------------------	-----------
