

Honeywell Color Night Vision (CNV) Video Surveillance Kit

Plug-and-play high quality video security kit with a choice of a 4, 8 or 16 channel NVR paired with either 4, 6, or 12 color 5 MP cameras respectively. A perfect solution for budget conscious users.

Overview

Feedback

Honeywell's Color Night Vision (CNV) kits provide all of the components needed to quickly install, configure and deploy a high-quality video security solution right out of the box. This is an ideal kit for customers who need up to 12 cameras and a single NVR in one location.

This Honeywell CNV kit offers exceptional color picture clarity even in low-light conditions, powerful smart video analytics, adequate recording/storage options, and secure data transmission.

Ideal for retail commercial spaces, restaurants, gas stations, and other small businesses.

Choose from 3 kits:

HKCNV040101CE5R304: 4 Ch CNV NVR with 1TB HDD + (4) 5MP Ball Cameras

HKCNV080102CE5R306: 8 Ch CNV NVR with 2TB HDD + (6) 5MP Ball Cameras

HKCNV160204CE5R312: 16 Ch CNV NVR with 4TB HDD + (12) 5MP Ball Cameras
