

#10 Nylon Walldriller Plus Anchor Kit w/Pan Head Phillips Drive Screws

Part Number WDPK10
UPC 781002858140

The WallDrillerPLUS® is designed to offer superior holding power in drywall material. It's fine centered point helps guide the anchor into the wall with flawless precision. A sharp profile thread cuts deep into the hole without damaging the drywall, ensuring superior holding power and stability. The sharp cutting edge reduces the force required to cut the material, making it a self-drilling anchor without pre-drilling.
